Dear Steve,

Hey, I would like to know if theres any possible way you can remove my medical records of my "mental" history.

In other words through your connections maybe, to remove my medical history from the start of 2016, when I ~~was~~ sick I thought I was a prophet b/c I tried not taking my meds in the hospitals as well and I told them

I'm fine in the hospital.

- no hard feeling on their part though.

Sincerely,

Rasheedul
Monte

I tried sending it yesterday.

~~I HATE SHIITES.~~

I came across the Book of the End and in pg 25 it mentions Safeena (^{رض}) reported that the messenger of Allah (^{صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ}) said, "The caliphate after me will last for 30 years; then there will be kingdom(s). - ruled Hasan

Those 30 years consisted of the Caliphates of Abu Bakr As-Siddiq, Umar Al-Farooq, Uthmaan Ash-Shaheed, and Ali ibn Abee Talib Ash-Shaheed; the full 30 years came to an exact end with the end of Al-Hasan's Caliphate, which lasted 6 months. As soon as those 30 years ended, which was in the year 40H, Al-Hasan stepped down, allowing Mu'aawiyah ibn Abee Sufyaan to take his place, and the people pledged allegiance to him. That year was called the year of gathering. ~~It~~

H It also mentions others in these books I ordered if you can show the book stores and the Muslims then hopefully they can understand.

I just want to gain knowledge with the people of real knowledge.

I'm not going to go on the court date on 1/4/18 until I get out SHU.

I tried explaining to the female lawyer ~~about~~ about yemeni girls having Saudi girls for what ever reason. ~~Along with other things.~~

Respectfully Submitted,
Rashedul Mala-

I also tried going out SHU b/c
I feel like I did more than my
45 day time period and the
guy that wrote me up for piss test
he said 20 minutes maybe I heard
wrong.
